KOLAR DIVISION.

[ADVERTISEMENT.

The 7th April 1896.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Kolar Division, up to 30th April 1896 inclusive, for opening out Railway Feeder from Maddagiri to Goribidnur. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of May 1897.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's office at Kolar between the hours of 11 A. M. and 5 P. M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 100 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for opening out Railway Feeder from Maddagiri to Goribidnur" in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

Abstract of estimated quantities (approximate) of work to be done for opening out Goribidnur-Byrandhalli Railway Feeder.

C. M. ANANDATIRTHA RAO, *Offg. Exe. Engr.*

FRENCH ROCKS DIVISION.

The 2nd April 1896.

In supersession of the Advertisement, dated 28th March 1896.

Tenders are hereby invited for re-constructing a new Anikat across the river Hemavati at Kalhalli, Krishnarajpete Taluk, Mysore District.

2. The plans, estimates, schedule of rates, and conditions may be seen at the Executive Engineer's office between the hours of 11 A. M. and 4 P. M. daily.

3. Printed forms of tender will be supplied on application, free of cost, by the Executive Engineer. These forms should be filled in, signed by the contractor, and forwarded in sealed covers to the Executive Engineer before the 17th April 1896. The work should be completed by the end of June 1897.

4. The final acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any tender.

5. No tenders will be received unless accompanied by a deposit of Rs. 1,000 as earnest money.

6. Within eight days of the acceptance of the tender, the contractor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be taken to meet any loss that may be sustained by Government.

7. The name of the contractor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's office in due course. No enquiries respecting the acceptance or rejection of a tender will receive any reply whatever.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned to applicants in due course.

9. An approximate estimate, in quantities of items of work required, is given below. These quantities are not guaranteed.

10. Suitable stone for the construction of the anikat will be supplied to the contractor by the Government at the site of the works. The tenders now called for being only for the manufacture and supply of the specified mortar and for building with required stone dressing.

Anikat 1,000 feet long, 8 feet wide with front batter of 1 in 4.
